Classroom News

Hello Families!

What a great first week of school! We really focused on our classroom routines this week and learning about each other. I have loved getting to know your children!

This is our class newsletter and it will come home every Friday with the student's green "Friday Folder". This green Friday Folder needs to be returned on Monday so that I can fill it up during the week and send it home again the following Friday! ☺

Homework binders will begin on Monday and the directions will be provided in that to explain homework policies and procedures.

Thank you for the EXTREMELY generous amount of supplies for our classroom! We are beyond grateful! Can't wait to send you pictures of how we are using them!

Thank you for all you do!
